LICENSE RENEWAL PROGRAM

Each year, USA Cycling coaches are required to expand and deepen their coaching knowledge through continuing education. Continuing education is measured in **Continuing Education Units (CEUs)**. Each CEU is equivalent to about 1 hour of continuing education time. CEUs can be earned through online courses, in-person or online events, through mentorship, and other programs pre-approved by USA Cycling. **CEUs earned in excess of the annual requirement do not roll over to the next year.**

Annual License Renewal

To renew a **Level 3 Certified Coach license** or **Level 2 Intermediate Certified Coach license**, coaches must meet the following requirements:

Earn 10 CEUs per year.

5 CEUs must be earned through USA Cycling while up to 5 may be earned through third-party providers pre-approved by USA Cycling.

Every other year, complete an online refresher course.

**Certified (LEVEL 3)

SPECIALIZATION CERTIFICATES

Starting in 2025, CEU courses and events provided by USA Cycling will be grouped into four topic areas called Specializations:

**ATHLETE
MANAGEMENT AND
DEVELOPMENT**

**PROGRAMMING AND
TRAINING DESIGN**

**PHYSIOLOGY
OF TRAINING**

**BUSINESS
SKILLS**

As coaches earn CEUs toward license renewal, they can also earn certificates in each Specialization. These certificates are optional for coaches, unless they are seeking a license upgrade. Coaches seeking a license upgrade must complete Specialization or Advanced Specialization Certificates as described in the Coach Certification Program.

To earn a **Specialization Certificate**, coaches must meet the following requirements:

STEP 1

Earn 10 CEUs within one Specialization.

At least 6 of these CEUs must be earned by completing courses. Specializations must be earned by completing CEUs offered directly from USA Cycling. CEUs from third-party providers do not qualify for earning Specializations.

STEP 2

**Complete the
101-Level Course for
the Specialization.**

**Specialization
Certificates**

CEUs and courses for a Specialization Certificate may be earned in any order, at any time. Specialization Certificates can be earned in a year or over several years.

To earn an **Advanced Specialization Certificate**, coaches must meet the following requirements:

STEP 1

**Earn 10 more CEUs within one Specialization
for a total of 20 CEUs.**

At least 12 of these CEUs must be earned by completing courses. Specializations must be earned by completing CEUs offered directly from USA Cycling. CEUs from third-party providers do not qualify for earning Specializations.

STEP 2

**Complete the
201-Level Course
for the Advanced
Specialization.**

**Advanced
Specialization
Certificates**

CEUs and courses for an Advanced Specialization Certificate may be earned in any order, at any time. Advanced Specialization Certificates can be earned in a year or over several years.
